Re: Air Quality Control

Minor Permit AQ1227MSSO4

FX: (907) 465-5129

Dear Sir,

Usibelli Coal has been an exceptional example of a mining company that actually does take good care of the property they work, the personel they hire, the community adjacent and reputation with with the Companys they do business with.

Usibelli Coal Mine will meet the National Ambient Air Quality Standards.

Please issue the Permit.

Thank you,
