Mr. Richards,

The Alaska Department of Environmental Conservation (Department) has prepared a preliminary decision for the Alaska Gasline Development Corporation's (AGDC's) Liquefaction Plant. Preliminary Construction Permit AQ1539CPT01 was originally open to public comment from September 11, 2020 to October 11, 2020. **The Department is extending the public comment period by an additional 30 days to November 10, 2020** to grant more time for review, as was requested by the National Park Service and Sara Laumann on behalf of the National Parks Conservation Association. This decision is now subject to public comment until November 10, 2020. Attached please find the Preliminary Permit, Preliminary Technical Analysis Report, 2nd Preliminary Permit Transmittal Letter, and 2nd Public Notice. If you have any questions regarding this preliminary decision please do not hesitate to contact me.

Regards,

Dave Jones
