Hi Dave,

Thanks for your below email letting me know you had uploaded the communications ADEC received from the FLMs.

So that I can let my NPCA clients know for purposes of tracking and requesting future records, I'd appreciate knowing how many hours were spent responding to this particular request.

We look forward to hearing from the Department regarding the extension request.

Best,
Sara

Sara,

I just uploaded the requested electronic communications from the Federal Land Managers to the Alaska Zend To site that I previously used to transmit modeling files. You should be receiving an email notification to download the files shortly and will have four days to download the files.

The Department is still making a determination on your request for an extension of the public notice period and will be in touch next week with an answer.

Regards,

Dave Jones

Hi Dave,

I hope this email finds you well. I'm sending the attached letter on behalf of NPCA, which includes two requests.

Best,
Sara
