Dear Mr. Jones,

On behalf of National Parks Conservation Association I'm sending you this email and the attached letter. The letter requests that ADEC provide additional time for NPCA and its experts to review the proposed PSD permit package for Alaska Gasline Development Corporation's Liquefaction Plant.

If you have any questions or would like to discuss our request, please feel free to get in touch with me.

We appreciate your consideration of this request and I look forward to hearing from you.

Best,  
Sara Laumann
